### Automat

#### Stamps Now Obtainable At All Hours

You can now buy stamps at any hour of the day in the Torrance postoffice. An automatic stamp vending machine to dispense postage stamps at face value was placed in operation in the lobby of the building this week by Postmaster C. Earl Conner.

Patrons now are spared the delay of standing in line during rush hours, Conner explained, and the machine is loaded up with a good supply for Sundays and holidays, whether or not the stamp window is open.

They will be installed at convenient spots in Post Office lobbies throughout the country to dispense commonly used denominations of postage stamps.

Automatically operated by the insertion of a coin, the machine issues five one-cent stamps for a nickel, two five-cent Air Mail stamps for a dime and five three-cent stamps for a nickel and a dime. It is equipped with a sensitive detector mechanism which rejects spurious coins and is rendered inoperative when the supply of stamps is exhausted.

#### Police Show to Be Staged Here Dec. 3

Featuring 12 acts of comedy and vaudeville the Torrance Police Officers Association will stage their 11th Annual Police Show in the Torrance High School auditorium on Friday evening, Dec. 3, it was announced this week by Sgt. W. H. Haslam, president of the association.

Purpose of the show is to augment funds used to promote youth activities and prevent juvenile delinquency.

Recently the association donated \$150 to the student body at Torrance High School to defray part of the cost of installing a public address system on the football field.

Local playgrounds and summer camp programs also have benefited from gifts donated by the association.

Whitney Roberts, the Laugh Insurance Salesman, will act as Master of Ceremonies for a group of acts including: Jack Shafston and his Puppets; Patricia Lynn, song stylist; Medley and Dupree, novelty comedy act; Sylvia Stanton, acrobat, Charley the Horse, two men under a horse and a girl trainer; Johnson and Johnson, comedy jugglers; Don Zelaya, comedy concert pianist; Charles Pickard, comedian singer guitarist; and Jack Aronson, excellent pianist.

Sgt. Haslam said that tickets (\$1.50 for adults, 50 cents for children under 12 years) may be purchased from any Torrance police officer. The association is a non-profit organization whose interests are devoted solely to youth programs, he said.

### Marriage Counseling Series Set

With Bert Lytell, Rosalind Russell, Fannie Hurst, Lanny Ross, Jinx Falkenburg, John Kieran and others in its battery of guest stars, "Marriage for Millions," a series of 16-minute dramatic programs showing how marriage counseling works, will be presented on the air here by station KECA each week for 13 weeks beginning Tuesday, Nov. 9 at 6:30 p.m.

The series will be sponsored over station KECA by Family Service agencies of Los Angeles, Pasadena and Long Beach in cooperation with the Community Chest. Prominent citizens of these cities will speak briefly on behalf of the sponsoring agencies to describe the services available here.
